Thank you to all those that joined us at Pittsburgh Landing for Hamburger BBQ. We have a few new members “Welcome” that signed in. The BBQ crew did a wonderful job on the hamburgers and hot dogs. And THANK YOU to all those that brought the side dishes.

Thank you to Ed and Todd for going to all The Trail Cat Management Group that was formed. News was that Storage for the Trail Cat will be in Clearwater County and the excavator of the brush “Brush Hog” (when it is decided on) will be Idaho County. We did get clarification when transporting either machine. A person does not need a CDL license.

Ed will be looking into the Banner for the Border Days Rodeo. We had one last year. We will also be riding in the parade as well. Yes, we did get parade banners made (2). And we know where they are. HAAAA

We will be ordering new hats. With the OHV logo on it and the web page on the back. They will be coming in different colors and styles.

Todd will be going to the Idaho Outdoor Recreation Summit meeting on April 13<sup>th</sup>. Thank you, Todd, for going.

Next meeting is May 6, 2026 @ The Trails Restaurant in Grangeville at 6:00pm.
